MINI NARCOTICS CABINET

with Single Locking Outer Door

Construction:

- Heavy duty 20 gauge steel

Features:

- High security pick-resistant tubular lock
- Four keys per lock included
- Unique lock sequences– all cabinets are keyed differently
- Full length stainless steel pinned door hinges prevent pin removal
- Predrilled holes in the back for mounting on a wall, cabinet or other solid surface (wall mounting hardware included)
- Narcotics cabinet is delivered ready to use (door handle must be customer installed)
- Durable heat sealed powder coat finish

This cabinet is compliant with DEA guidelines for the secure storage of Schedule III, IV, and V controlled substances when a separate outer door is also used, such as inside a drawer or cabinet within a locked office or in a locked refrigerator/freezer within a locked office. Because this narcotics cabinet does not have both an inner and outer door, it is not recommended for the storage of Schedule I and II controlled substances unless additional criteria is met. Please consult current DEA guidelines for details.

Shown in gloss beige (default color). More than 20 additional colors are available.

Harloff offers many different narcotic cabinets to help you keep both your controlled substances and your business secure including wood look cabinets, slim profile boxes and cabinets with audio/visual alarms.

Contents not included.
