## NC12C16-ST2

### MEDIUM NARCOTICS CABINET

with Double Locking Outer Door

#### Construction:

- Heavy duty 20 gauge steel

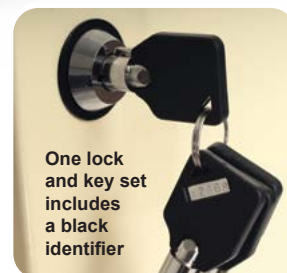

#### Features:

- Two high security pick-resistant tubular locks
- Locks keyed separately, w/four keys per lock included
- Unique lock sequences— all cabinets keyed differently
- One adjustable and/or removable shelf with the choice of five locations
- Full length stainless steel pinned door hinges prevent pin removal
- Predrilled holes in the back for mounting on a wall, cabinet or other solid surface (wall mount hardware included)
- Narcotics cabinet is delivered ready to use (door handle must be customer installed)
- Durable heat sealed powder coat finish

Contents not included.

Shown in gloss beige (default color). More than 20 additional colors are available.

One lock and key set includes a black identifier

Keys with black tips must be used in locks with black ring. Putting the wrong key in a lock will disable the lock and require the lock to be replaced.

*This cabinet is compliant with DEA guidelines for the secure storage of Schedule III, IV, and V controlled substances when a separate outer door is also used, such as inside a drawer or cabinet within a locked office or in a locked refrigerator/freezer within a locked office. Because this narcotics cabinet does not have both an inner and outer door, it is not recommended for the storage of Schedule I and II controlled substances unless additional criteria is met. Please consult current DEA guidelines for details.*

Harloff offers many different narcotic cabinets to help you keep both your controlled substances and your business secure including wood look cabinets, slim profile boxes and cabinets with audio/visual alarms.
